Development  
Regional Cup

Gallipoli  
2026

Dear Triathletes,

Welcome to the 2026 World Triathlon Development Cup Gelibolu, to be held on the Gallipoli Peninsula.

Gallipoli holds a very special place as a region that has witnessed great heroes and epic victories in world war history.

Beyond its historical significance, its geographical location and unique characteristics will offer triathletes an unforgettable experience.

Contributing to the challenging development journey of triathlon and witnessing this process is a great source of pride and happiness for us as organizers.

We are proud to state that Türkiye has become an important brand in this field, with internationally recognized events such as the Alanya Triathlon—one of the world's oldest triathlon organizations—and last year's Istanbul event, the world's first simultaneous Asian and European Triathlon Championship, along with many award-winning international triathlon organizations.

Throughout the race, the Çanakkale Strait and historic monuments will accompany triathletes. We believe that the World Triathlon Development Cup Gelibolu will serve as a unique bridge between the past and the future, bringing peace to a geography once remembered for war through the unifying power of sport.

We once again welcome you with traditional Turkish hospitality and extend our sincere thanks to the Çanakkale Governorship, the Gallipoli Historical Site Directorate of the Çanakkale Wars, and our sponsors for their valuable contributions.

Bayram Yalçinkaya  
President  
Türkiye Triathlon Federation

Distinguished athletes from all around the world,

Our esteemed guests,

We take great pride in hosting such a special event in Gallipoli—one of the most meaningful geographies in history—where we will all experience the unifying power of sport together.

The Gallipoli Triathlon, to be held on June 27–28, 2026, will bring together athletes from different countries on a unique course intertwined with history and nature. Every step taken on these lands—where war has transformed into brotherhood—will symbolize not only a race, but also peace, friendship, and shared values.

As one of Türkiye's most prestigious triathlon events, this major organization will offer athletes the opportunity to feel the history of Gallipoli up close within its captivating atmosphere, while making all of us part of this meaningful gathering.

I invite all our citizens, as well as our local and international guests, to join this special event and witness this meaningful day where sport and friendship come together.

Hoping to meet you in unforgettable moments.

Dr. Ali Kamil Soyuağ  
Mayor of Gallipoli
