5. REGISTRATION FEE

Registration will be done through the Turkish Triathlon Federation Member Portal. Registration fees for age groups for **individual 75€ Triathlon & Aquathlon Team Triathlon & Aquathlon 150€ until Sunday, August 9, 2026**.

Unless the competition is cancelled by the TTF, no general refunds will be issued. In special circumstances, you can apply to the federation with an official report documenting the situation to request a refund. Registration fees must be paid by credit card through the official TTF website. You can manage your payment transactions from the Payment Transactions menu in your profile. You should use this menu if you experience any payment errors or wish to make a payment later.

6. TIMING CHIP

Unless otherwise specified, time chips will be distributed in all categories at the chip distribution desk located at the entrance to the transition area before the race, as indicated in the competition program. To receive their chips, athletes must have passed the referee's check and been numbered. Chips will not be given to athletes who are not numbered. It is recommended that the chips be attached to the left ankle, taking into account the bicycle crankset, and should not be removed during the race. An athlete who does not receive their chip will be considered a DNS (Did Not Start).

7. RACE BRIEFING

The Technical Meeting will be held in an open area. Attendance at the Technical Meeting is necessary to receive prior information about possible changes. Changes that are unforeseen before the event and necessary for the safer running of the event will be announced at the Technical Meeting by the TTF Organizing Committee, after consultation with the competition commission. The final and definitive information regarding the competition will be provided at the Technical Meeting. All athletes will be deemed to have accepted all information and any changes made at the Technical Meeting.

8. GENERAL RULES

- Swimming time group areas will be established at the starting point (Kanlıca pier) for all categories. Athletes will wait in these areas according to their estimated swimming times.
- Time groups will start the competition in groups of 4 with 2-second intervals, under the control of Technical Officials, using a WAVE system. The athlete's competition time will start when they cross the starting line.
- Athletes will compete in their own age categories.
- Athletes can compete in the same category they started in at the beginning of the season until the end of the year. Category changes after the first competition will not be possible.
- All athletes must be aware of these rules; they must treat competitors, referees, officials, and spectators respectfully and avoid actions that are contrary to sportsmanship.
- Athletes can participate in the competition with their licenses that have been renewed for 2026.
- Athletes who violate the rules will be penalized according to the TTF Competition Guidelines. It is the athlete's responsibility to check the Penalty board at the penalty spot. An athlete who does not complete their penalty will be disqualified from the competition.

- The Cut-Off time specified in the program may change depending on the start time if the competition starts late due to technical reasons or if the athlete makes a particularly intermittent start.
- An athlete can compete in the category they selected at the beginning of the year. An athlete cannot change categories during the year.
- Since drafting is prohibited in triathlon, the use of TT bars and TT wheels is permitted.
- Changes may be made to the competition courses and program until the competition technical meeting. The final program and times will be announced at the technical meeting.

TEAM RELAY RACE RULES

- Teams will consist of two or three people.
- Each team member must have a triathlon license.
- Due to the special status of the race, wearing a trisuit is not mandatory for teams.
- There will be separate podiums for women, men, and mixed teams.
- Team athletes will use a timing chip, which must be handed to another team member at the entrance to the exchange area before continuing the race.
- Team Race Number Handover: The team captain can receive the numbers of the other athletes. However, all athletes are responsible for bringing all required documents to the transition area entrance on race day.
- For Standard Distance and Aquathlon Team Relay Races, team captains are obliged to send the team name and information of team members (including athletes' Turkish Republic ID numbers) to **yasarugurgulec@triatlon.org.tr via email at least 48 hours before** the race start time specified in the program, after completing the payment process.
- Athlete changes will take place in the special area reserved for team relay races located at the exit of the transition area.
